## **TERMS AND CONDITIONS**

- The scholarship award is for the pursuit of a **full-time** degree program at **Manipal University, India**
- Scholarship holder shall not receive any scholarship offered by other educational institutions or organizations.
- The scholarship panel decides who will be awarded a scholarship based on the application submitted. The decisions are based on, as applicable, academic achievements, sports achievements, references, evidence of voluntary work done, etc. The scholarship panel decisions are final.
- Offer letter needs to be signed within a week failing which, the next candidate would be automatically offered this scholarship.
- Reasons for not being awarded a scholarship are not provided, as resources do not permit.
- The period of time the scholarship and/or accommodation (where applicable) is offered for is clearly stated and not extendable.
- The scholarship consists of tuition fees, hostel fees and library fees.
- Traveling fees, visa application and food is not funded by AIHMSA.
- The scholarship is for the ONE named person and AIHMSA will not be responsible for a scholar's family members/spouse/children, etc. and if a scholar wishes to have a family member accompany him/her, they need to be aware that the University does not recommend this as the scholar, not the University, will be solely *responsible* and they will be required to pay for the additional family member/s, not AIHMSA who accepts no liability.
- All scholarship students should be in good mental and physical health and must advise the scholarships office of any medical conditions they may have.
- Please note that when requested scholars are required to show originals (not photocopies) of transcripts and documents submitted in evidence with their scholarship application, and present these to the Scholarships office, if there is any question of authenticity. If, after checking, we discover any documents that are NOT 100% genuine, the scholarship award will immediately be invalidated and withdrawn. The Academy accepts NO liability in this case.
- It is the scholar's responsibility to set a good example, e.g. strive for best results, attend classes, finish the course on time and continue to demonstrate the exemplary student attributes/grades by which he/she was awarded the scholarship.
- All scholars should finish their course on time and only authorized postponements (requested in advance from the relevant Academics, scholarship office and Director) will be considered and only in exceptional circumstances, and for a valid reason. Delaying handing in a dissertation or course work is chargeable and this therefore deprives another student from being awarded a scholarship as this costs the University funds which are not budgeted for, therefore, this is not advisable. If a scholar delays in handing in assignments or course work (i.e. dissertation, etc.) to complete their course, they may be responsible for paying any additional charges, as requested.
- The Academy is only able to defer a scholarship on one occasion and only when formally requested by the scholar to the Scholarship office, with a valid reason for this and only if circumstances merit this decision being taken will this be granted.
- All scholars agree to allow us to share certain data (name, course, student ID number, institution, etc. as required) with other parties within the University.

- We may also use information collected regarding the scholars in our University's marketing activities; however, students' addresses and telephone numbers will not be given out without permission from the student, via a request from us.
- We may feature your interview/photo/profile/story on the AIHMSA website and/or other University publications and will normally ask for your permission/approval prior to publishing this.
- AIHMSA reserves the right to utilize this information in the promotion of the University and in any other student recruitment and/or Scholarship promotion activities.
- All scholars will take part in welcoming new scholars to the scholarship program by attending scholarship evenings, etc. when invited.
- Students are not allowed to work part-time.
- AIHMSA reserves the right to investigate and possibly withdraw a person from the scholarship program, if there is adequate proven evidence of serious allegations of illegal activities discovered.
- AIHMSA reserves the right to make reasonable changes to this contract at any time and will advise valid scholars if this occurs, as and when required.
- The candidate will need to sign a 7 years bond with out affiliate's practices. In the event the candidate does not comply to the above term he or she will need to pay AIHMSA RM40, 000 or face legal implications.
- Successful applicants are required to sign a Scholarship Agreement and are deemed aware of the terms and conditions of the scholarship award and the rules and regulations governing the program.
- AIHMSA reserves the right to amend/modify the terms and conditions of the Scholarship award from time to time as deemed appropriate.
