Team-up on health sciences

DEPUTY Foreign Minister Senator A. Kohilan Pillay (centre) witnesses the exchanging of documents between Acument Integrated Health Care and Movement Science Academy Malaysia co-founder and director Tarnjit Kaur (left) and the Registrar (International Programmes) of Manipal University, Dr H. Vinod Bhat (right), after a signing ceremony in Kuala Lumpur yesterday.

Acument Integrated and Manipal University of India are to implement a continuous education programme in health sciences.

Also in the picture is the business development director of Acument Integrated Health Care and Movement Science Academy Malaysia, Dharamjit Singh (second from left). — BERNAMApic
